Key

Card size 150 × 150 mm · print at 100% (actual size)

- Solid line – trace with white pencil or white pen (wings, frame, sprays)
- Broken line – trace with gold pen as a solid line (body and antennae)
- Grey area – emboss from the back with a ball tool
- Black dot – perforate with a 1-needle tool
- Grey dot grid – grid work (2-needle tool or grid); × = cut with fine scissors

Instructions

1. Secure parchment over the pattern with low-tack tape.
2. Trace the frame, wings and sprays in white; trace the body and antennae in gold.
3. Emboss the grey areas from the back – large ball tool first, then a small ball tool.
4. Perforate the black dots, then work the four corner grids on a perforating mat.
5. Cut the × marks in the grids and cut out around the scalloped edge.
